FINAL PRODUCT CHANGE NOTIFICATION

PCN: 071430

Date: February 12, 2007

Subject: Arrow/Zeus Electronics as the Sole Distributor for Cypress Military CPLD 37K and PROM Products

To: <Contact Name>
<Customer>
<Contact Email>

Description of Change:

Cypress has entered into an agreement with Arrow/Zeus Electronics to become the sole distributor for Cypress Military 37000 CPLD and PROM products

Benefit of Change:

Arrow/Zeus Electronics has a dedicated sales and marketing force for military customers. In addition, Arrow/Zeus Electronics has proven its value in providing long-term supply for customers resulting in the extension of product lifecycle for suppliers. Through this structure, the Arrow/Zeus team acts as a single point of contact for the Arrow selling companies on a global basis in support of their customer's requirements.

Frequently Asked Questions:

How will this agreement affect our customers?

We believe this agreement will not have an impact on our customers. In fact, by the end of Q1 2007, Arrow/Zeus Electronics will have more than double the Cypress inventory on their shelf that the entire channel has in inventory today. This will offer customers seamless supply.

What about direct business on these products?

Direct customers will purchase Cypress military product from Arrow/Zeus Electronics going forward. Arrow/Zeus Electronics has all rights to our supply and will be our only customer for this product as a result of this agreement.

How will this agreement affect our other channel partners?

Cypress military 37000 and PROM products will be removed from the distributor price book effective January 31, 2007 making them NCNR to customers and distributors after this date. Distributors will have return and backlog cancellation rights before January 31, 2007. Current distributor backlog will be supported through 31 March 2007.

How does my customer reach Arrow/Zeus Electronics to obtain a quote?

Customers can obtain quotes from their local Arrow sales office, or by going directly to the following business managers at Zeus:
